at Chitaldroog, which has been proposed by the District Board to be transferred to the Public Works Department

From the above it ~~is ordered~~ appears that the Hassan D.B. ~~703.03~~ Board alone are not in favor of the proposed change and that in Chitaldurg, the only Inspection Lodge at Chitaldurg has been proposed to be transferred to P.W.D but the remaining boards are in favor of the transfer. As the transfer recommended is in respect of only seven Inspection Lodges, as are in the opinion of the Boards concerned absolutely necessary for the use of the travelling public and are now being maintained at the cost of D.F and not in respect of those exclusively used by the Inspecting

Inspecting officers, which will continue to remain under the management of the D.P.W. orders are solicited as to whether such of the Inspection Lodges as may be absolutely necessary for the travelling public be in future called, as III class Travellers Bungalows and transferred to the Revenue Department, who will, as in the case of the existing III class Bungalows be in charge of their establishments & furniture and collect fees from travellers halting in them. If this suggestion is approved, a list of Inspection Lodges to be converted into III class T. Bungalows will be called for from each L. T. Sir,

With reference to Government

Dec 19 01
1902, asking me to state whether there is any objection
to adopting the course recommended by the
Chief Engineer regarding the maintenance
of Inspection Lodges, I have the honor to
state that in my opinion the most simple
arrangement would be for District Local
Boards to take over such Inspection Lodges
as may be useful to them as Dak or
Travellers' Bungalows, the remainder of
the Lodges being left entirely in the charge
of the P. W. D. for the convenience of which
department they were originally constructed.

It is not necessary [illegible]

3rd class Travellers Bungalows, and Inspect
Lodges under the charge of district Funds.

All such Lodges, taken over by distri
Funds, should be converted into 3rd class
Travellers' Bungalows.
